**Payments**

Payment is due at the time services are rendered. For patients with dental insurance, you will be expected to pay your estimated portion at the time services are rendered. For your convenience, we accept cash, personal check, debit cards and credit cards (Visa, MasterCard, AMEX and Discover). A return check fee of $25.00 will be charged. We also offer flexible finance plans through dental finance companies. These plans can fit a wide variety of patient financial needs. **If you are unable to keep an appointment, kindly give 48 hour notice to avoid a $50.00 cancellation fee.**

**Dental Insurance** – ***We are an "Out of Network" Provider for ALL Dental Insurance Plans***

Your insurance plan is an agreement between **you and your insurance company**. If your insurance changes, please notify us prior to your appointment. We file claims to your insurance company as a courtesy to you. Our office has no financial relationship with your insurance carrier, therefore, you are responsible for your entire bill. After 30 days, we ask that you call your insurance company if no payment has been received. After 60 days, any outstanding insurance balance will be your responsibility. **Also please understand, you are responsible for the balance of charges incurred regardless of your insurance payment. Treatment is based on what your dental needs are and not on what your insurance company will or will not pay.**

In order for us to file your insurance claim, **you must:**

1. Provide us with your current and correct insurance carrier mailing address and toll-free number.
2. Provide the proper paperwork for a claim, otherwise, no claim can be filed on your behalf.
3. Assist in following up with your insurance carrier if there is a problem with the payment of your claim. Please remember, ultimately you are responsible for your entire account.

**Billing**

The Responsible Party must provide their SSN. If the SSN is not provided, then payment in full is required at the time of the visit. Remember that you are responsible for the balance of charges incurred regardless of what your insurance pays. You may incur a finance charge of 1.5% on your account if your balance is not paid in 60 days or less. Please inform us of any financial concerns so an agreement can be made up front of how the account will be paid. Please understand once an account is turned over to collections, it cannot be called back.

**Authorization**

I hereby authorize payment of insurance benefits directly to Mazzawi Family Dentistry, otherwise payable to me. I understand that I am ultimately responsible for all costs of dental treatment not covered by insurance. I hereby authorize Mazzawi Family Dentistry to administer such medications and perform diagnostic, photographic and therapeutic procedures as may be necessary for proper dental care. The information on this page and the dental/medical histories are correct to the best of my knowledge. I grant the right to the dentist to release my dental/medical records to third party payers and/or other health professionals as needed.

We reserve the right to change our privacy practices and the terms of this Notice at any time, provided such changes are permitted by applicable law, and to make new Notice provisions effective for all protected health information that we maintain. When we make a significant change in our privacy practices, we will change this Notice and post the new Notice clearly and prominently at our practice location, and we will provide copies of the new Notice upon request.

You may request a copy of our Notice at any time. For more information about our privacy practices, or for additional copies of this Notice, please contact us using the information listed at the end of this Notice.

We may use and disclose your health information for different purposes, including treatment, payment, and health care operations. For each of these categories, we have provided a description and an example. Some information, such as HIV-related information, genetic information, alcohol and/or substance abuse records, and mental health records may be entitled to special confidentiality protections under applicable state or federal law. We will abide by these special protections as they pertain to applicable cases involving these types of records.

**Individuals Involved in Your Care or Payment for Your Care.** We may disclose your health information to your family or friends or any other individual identified by you when they are involved in your care or in the payment for your care. Additionally, we may disclose information about you to a patient representative. If a person has the authority by law to make health care decisions for you, we will treat that patient representative the same way we would treat you with respect to your health information.

**Disaster Relief.** We may use or disclose your health information to assist in disaster relief efforts.
